

Reignite your Guiding Light!

What: Guide Firefly Jubilee is a provincially supported Guide **Camp Skills Day** created to be run as a day activity or an overnight camp, for either a single unit or multiple units together.

Where: Locally throughout BC, to be decided by your unit, district, or area

When: Saturday, October 23, 2021

Participants: Guide units and their leaders

Hosts: Enthusiastic hosts like you! (e.g., unit leaders, district Guiders, area camping specialists) to organize the Camp Skills Day with support of enlisted special helpers.

Special Helpers: Local GGC camping enthusiasts, including adult members, Rangers, Trex and Pathfinders, willing to volunteer.

Costs: This event can be run as either a day activity or an overnight camp. Local costs will depend on unit choices. Units should budget to cover the cost of food and any site fees. A specially designed program supply box will be provided free of charge to those units whose leaders participate in the Guide Firefly Jubilee virtual training and/or support sessions that are offered.

COVID-19: Return to In-Person Guiding protocols will be followed.

More Information: The BC Camping Committee will provide local organizers with step-by-step instructions, themed activities, schedules, kit lists, draft Safe Guide paperwork, and more, to make it easy for you to host a Guide Firefly Jubilee in your local community.

We will offer a variety of pre-camp trainings and support sessions for those leaders who choose to participate in, or organize, these local Jubilee events. A special Guide Firefly Jubilee box

containing program supplies and printed materials will be sent out for those units/districts/areas whose leaders attend virtual trainings and support sessions. Guide Firefly Jubilee program boxes are limited, available for 350 BC Guides, so please indicate your unit's intention to participate below and register for our distribution list.

Gather your own Guide unit, your district Guide units or Guide units from throughout your area – Guiding activities are more fun when more girls and Guiders are involved!

You can do it and we can show you how.

Shine bright at the Guide Firefly Jubilee!
